Notification of Scholarship Awards will be sent by March 20, 2010 for the SGNA Conference.

All receipts and an expense report will be submitted to the CSGNA treasurer within 30 days after the offering to receive reimbursement. I understand that if I receive a CSGNA Scholarship, I am required to apply funds received toward expenses related to attending the course. The winner of the \$1500 scholarship will be expected to write an article for the CSGNA Newsletter and/or participate in the "Best of SGNA 2010" roundtable discussion to be held at the CSGNA Conference in November.
